April 18, 1996.

Take notice that on April 15, 1996, Transcontinental Gas Pipe Line Corporation (Transco), tendered for filing certain revised tariff sheets to its FERC Gas Tariff, Third Revised Volume No. 1 which tariff sheets are enumerated in Appendix A attached to the filing. The referenced tariff sheets are proposed to be effective June 1, 1996.

Transco states that the purpose of the instant filing is to comply with the Commission's Order issued March 15, 1996, in Docket No. RP95-197-009. The March 15 Order, inter alia, directed Transco to file, within 30 days of such order, revised tariff provisions to its FT Rate Schedule and to the General Terms and Conditions of its Volume No. 1 Tariff to specifically incorporate the Commission's requirements regarding flexible secondary receipt points. In compliance with that directive, Transco is submitting for filing revised provisions to its Rate Schedules FT, FT-R, FTN, FTN-R, FT-G, and its General Terms and Conditions. The general nature of the revised tariff provisions is to provide shippers access to mainline secondary receipt points in zones in which they pay a reservation rate and to address the priority to be accorded such secondary receipt point transactions.

Transco states that copies of the filing are being mailed to its affected customers and interested State Commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
